QUINTESSENTIAL LAWN GAMES...

Lawn games have long been an English tradition. To give them a new and international spin, we've created team games that are both competitive and great fun. With expert coaching on the hotel or venue's lawn our Quorporate Games are ideal for either team-building or as an ice-breaker with drinks to go with a BBQ or before dinner.

CROQUET: quintessentially English, seemingly genteel but in fact great fun, and very engaging and tactical, if not outrightly vicious!

PETANQUE: let everyone show their flair and feel French for a while; our black and silver metal boules make sure everyone knows they're part of one *équipe* or the other.

QUOITS: really quite British - but forget the Scottish/Welsh long game, the Northern or East Anglian game, and play our version with both stakes and target zones...

QUORNHOLE: adapted from the popular US Cornhole game, players take turns to throw bags of 'corn kernels' at a raised board with a hole in the far end.

EQUIPMENT: forget cheap garden centre sets and expect quality equipment from leading manufacturers in their field - proper Jaques croquet mallets and balls, the right weight and diameter of petanque boules, steel-reinforced British rope quoits, and full-size cornhole boards made to US specs.

FORMAT: the games can be combined with each other or with other activities or each used on a stand-alone basis pre-dinner or to accompany afternoon tea or a BBQ...

NUMBERS: 2-a-side and 3-a-side both work well, and 4-a-side is possible with petanque, quoits and quornhole. For fixed start times 1 QG coach can best run 3 set-ups of the same game = 18 players with 3-a-side. For open play or if 2 different games are chosen, 1 coach can run 2 game set-ups = 12 with 3-a-side. A 2nd coach can be booked.
